

## **St Carthage's Primary School-Community Action Plan**

This is an agreement between the staff of St Carthage's Primary School and Aboriginal and Torres Strait Islander students and their parents/caregivers/guardians and interested community members.

We agree to work together so that Aboriginal and Torres Strait Islander students have the best start in life. Students' talents and abilities should be fully developed so that they achieve their best at school.

We want students to receive a quality education, to feel supported at school and at home and to be proud of their identity and culture.

Our first goals are that students will successfully complete Year 6 at our school and have the foundations in reading and writing in Standard Australian English and numeracy so that they are able to make the transition to secondary school successfully.

- encourage parents/caregivers to share their local culture with staff and students;
- using appropriate CSO guidelines encourage and support Aboriginal and Torres Strait Islander people who want to do volunteer work at school or wish to become teachers or education workers.
